IT IS HEREBY STIPULATED by and between the parties hereto through their respective counsel, that the date for the contested hearing which is currently set for April 5, 2010, may be continued to **May 10, 2010 at 9:00 a.m.**

The reason for the continuance is because the Kroll Laboratory did provide the sample to Central Valley Toxicology per court order, so there is no necessity to proceed on the Motion to Dismiss the violation. The hearing on the violation needs to be re-set to May 10, 2010 to accommodate counsel and witnesses. Mr. White will remain at Turning Point Regional Rehabilitation Center pending hearing on violation.
